2024-2025 Update Funders D&I practices

- For our own learning and exchange: potential EViR White paper
- Activities in the 6 D&I categories with concrete examples and links

NIHR ZonMw SOS

- Where are those happy days? They seem so hard to find
- I tried to reach for you, but you have closed your mind
- Whatever happened to our love? I wish I understood
- It used to be so nice, it used to be so good

- So, when you're near me, darling, can't you hear me? Ni HR!
- The love you gave me, nothing else can save me, Ni HR!
- When you're gone, how can I even try to go on?
- When you're gone, though I try, how can I carry on?

- EViR needs a new home for we are all alone

-

We used to feel the drive but need a friend to phone

-

- We really want to make it work, that much is understood

-

Where can we find a home, a home that feels real good?

- So, please come near me, darling, can't you hear me? ZonMw
- The home you give me, nothing else can save me, ZonMw
- When you're there, I will be able to carry on
- When you're there EViR can happily carry on!

So, please come near me, darling, can't you hear me? ZonMw
The home you give me, nothing else can save me, ZonMw
When you're there, I will be able to carry on
When you're there EViR can happily carry on!

When you're there, I will be able to carry on
When you're there EViR can happily carry on!
